What Bulk item collection covers

- Most household furniture and fixtures to include stoves, refrigerators (Freon Free), water heaters, washing machines, dryers, discarded bathroom fixtures, couches, tables, chairs, mattresses and box springs, television sets, and other bulky waste materials from within your home.
- Items such as swing sets, basketball goals, trampolines, playscapes, etc. must be disassembled before being placed curbside for collection or they will not be collected.
- Water treatment systems must be free of water and salt and light enough for two normal size men to lift into the back of a truck.
- Gas-powered equipment like lawnmowers, weed eaters, and blowers must be free of gas and oil.
